TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

Kames Castle. At the head of Kames Bay, Bute, stands Kames Castle, almost hidden away in a nook of surpassing beauty. The Castle is a good specimen of the old baronial residences of the 15th century. Within its walls John Sterling was born in 1806. The other side of the Kames Bay is Port Bannatyne, from nearly which Kames Hill, the highest ground in the island.
